The Youth Enrichment Center at Hilton -Winn Farm 2026

Adventure-Exploration Week
Ages 12-14
July 27-30

Nancy Breen is the Director of the Youth Enrichment Center (YEC) at the Hilton-Winn Farm, and holds a degree in Early Childhood Education from Colby-Sawyer College. In 2002, she purchased the beautiful property in order to establish a place where children could experience nature and participate in farm-based educational activities. Included in our enthusiastic, qualified staff are Eva Diharce, M.S., CCC-SLP Speech and Language Pathologist .

YEC programs are aimed at fostering growth in teamwork, communication, tolerance, and self-esteem building.

The Farm provides the ultimate natural setting for this magical experience. 48 acres of fields and forest surrounded by 225 acres of conservation land provide both a safe, beautiful setting and a wonderful space in which to grow.

The goal of the Summer Fun program is to use our surroundings to convey the importance of nature and our environment. This will be done through carefully planned activities and projects that build upon creativity and
